

AWRS Qatar

We are a complete wheel repair service operating in Doha, Qatar.

Alloy Wheel Repair Specialists (AWRS) is a worldwide franchise and leading provider of complete alloy wheel repair for auto dealerships, collision shops, tire stores, all major insurance companies and retail customers. At AWRS we service all of your wheel repair needs with same day turnaround. Our certified technicians provide cosmetic repair, bent wheel repair, and wheel recoloring at our shop location. Wheel repair appointments and walk-ins are accepted.

Spectacular wheel repair at our garage in the industrial area. All the scratches get repaired and covered at first. Then we repaint the rim and bring it back to its original color and polish it afterwards for it to be in a perfect flawless condition.
